## Spring

As we come to the closing of the Spring term, it makes me really happy to reflect on some of the fantastic learning and events which have taken place. Our children have enjoyed showing off their learning with great pride and they are certainly showing the Oakthorpe Spirit.

Our Explorers always behave beautifully around school and are always so excited about their learning. Their writing is exceptional and was commented upon by our Trust EYFS lead on her recent visit.

Our Creators are so inquisitive and have thoroughly enjoyed all of their learning, in particular how they have been creating programming BeeBots in Computing. They also really enjoyed learning all about animals and how to differentiate between types of animals using classification.

Our Innovators have took on the role of Historians for most of this half term and it has been a pleasure to see them ask so many questions and get stuck into their learning. Our Pioneers have been immensely proud of the homework projects they brought in for their Biomes work. They are so creative!

I wish all of our families a Happy Easter!

Year group	Attendance % We want to beat national and be over 95%
R	92%
1	95%
2	95%
3	100%
4	90%
5	92%
6	100%

## Parents

Attendance- Our attendance is improving across the whole school so well done everyone! Great work Year 3 and Year 6!

Relish Payments- I would advise parents to set up a payment routine of pre-loading dinner money onto the Relish account rather than paying off after meals have been ordered. There are very strict requirements for dinner debt. As always, if you need support with dinner debt, please come and speak to us asap.

- PROJECT
- EYE CONTACT

### FIRST TIME

- FIRST TIME
- EVERY TIME
- EVERYWHERE
- EVERYONE

### Fantastic Walking

- WALK IN SINGLE FILE
- WALK ON THE LEFT-HAND SIDE
- WALK QUIETLY
- WALK WITH GOOD POSTURE- HEAD HELD HIGH, SHOULDERS BACK
- SMILE AS YOU PASS PEOPLE

# Attendance Matters

## Autumn ailments

Did you know that children can still attend school with a cough and a cold? Minor medical ailments such as headaches, coughs, colds, toothache and stomach ache can all be helped with over-the-counter medicines. These medicines should be administered before school to give your child the best chance of being able to still attend school. School will contact parents/carers if any child becomes too unwell to remain in school.

### What happens if my child misses school?

There are many consequences of children missing time in school, such as:

- missing out on key learning and creating gaps in knowledge
- missing out on key social times with friends
- increasing anxiety and worries
- feel less of a sense of belonging

### What happens if my child is late to school?

There are many consequences of children being late to school:

- missing out on important routines
- increased feelings of embarrassment upon arrival
- missing out on the main input of lessons, leading to not understanding their learning

**We want to support all of our families in ensuring that all children have attendance over 95%. PLEASE ask for support from school to make this happen.**
